* A representative from each state in attendance is asked to give a “state update” (NOT TO EXCEED 5 MINUTES) to update conference attendees on your state’s modernization efforts and to introduce your delegation. Each state should briefly describe: projects completed since the last conference; new initiatives including those pursued via Supplemental Budget Requests (SBRs); a single “best practice” or “lesson learned” from a project; and the most significant strategic issue/challenge facing your state moving forward.
